

## Building Foundations: Support for New K-12 Schools and Nonprofits

Starting a new K-12 school or nonprofit organization comes with its unique set of challenges and opportunities. Our "Building Foundations" service is designed to provide comprehensive support to new schools and nonprofits in their first three years, helping you establish a strong foundation for future growth and success.

### Services Included:

#### Introduction to Foundation Grants Package:

- **Grant Calendar Management:** Keep track of important deadlines and submission dates.
- **Document Management and Archiving:** Efficiently organize and archive important documents for easy access and compliance.
- **Readiness Audit:** Assess your readiness to apply for and manage grants.
- **Narrative Templates:** Access to standard narrative templates to streamline your application process.
- **Grant Search and Submission:** Comprehensive search and submission services for up to three small grants to kickstart your funding efforts.
- **Post-Award Support:** Continued support after securing a grant to ensure successful implementation and compliance.

#### Building Community Support:

- **Establish Relationships with Local Nonprofits:** Connect with local nonprofits and explore small to medium grants to build a supportive network.
- **Community Support:** Develop strategies to build strong community support for your organization.

#### Large Grant Readiness:

- **Ongoing Full-Service Grant Support:** Comprehensive support for large grant applications, ensuring your organization is well-prepared.
- **Consultation and Training:** Scheduled bi-weekly 30-minute calls to provide ongoing consultation and training.
- **Funding Plan:** Develop a strategic funding plan to streamline your grant-seeking efforts, maximize resource allocation, and increase your chances of securing funding for impactful projects.
- **Grant Search and Prioritization:** Quarterly updates to your Grants Tracker and Grant Prospect Report to keep your funding opportunities up-to-date.
- **GuideStar Profile Review:** Meticulously review and optimize your GuideStar profile to accurately represent your organization's mission, achievements, and financial standing.
- **Submission of 1 to 3 Grants per Month:** Consistent grant submission efforts tailored to your funding plan.

## Value of These Services

Our services help new schools and nonprofits build a solid foundation for growth, ensuring they are well-prepared to secure the funding needed to achieve their goals. By leveraging our expertise in grant writing and management, you can focus on delivering high-quality education and programs while we handle the complexities of the grant-seeking process.
