

Sustained Success: Strategic Support for Established Education Organizations

For established K-12 schools and nonprofits with over three years of experience, sustaining growth and achieving long-term goals requires strategic planning and robust grant support. Our "Sustained Success" service offers tailored solutions to help experienced education organizations maximize their impact and secure necessary funding for continued success.

Services Included:

Full-Service Foundation Grants Package:

- **Grant Calendar Management:** Keep track of important deadlines and submission dates.
- **Document Management and Archiving:** Efficiently organize and archive important documents for easy access and compliance.
- **Readiness Audit:** Assess your readiness to apply for and manage grants.
- **Narrative Templates (Deluxe):** Access to enhanced narrative templates to streamline your application process.
- **Grant Search and Submission:** Comprehensive search and submission services for up to five medium grants or one large/federal grant.
- **Post-Award Support:** Continued support after securing a grant to ensure successful implementation and compliance.

CSP Grants: Expansion:

- Receive expert writing assistance, application review, project planning, and management preparation to maximize your expansion grant potential.

Federal Grants:

- Expert assistance in applying for and managing federal grants to secure significant funding for large-scale projects.

Post-Award Grant Management:

- Effective grant management ensures compliance and success in achieving grant objectives.

Ongoing Grant Support:

- Continued support with grant searches, prioritization, updating narratives, and submission on a monthly basis.
- Regularly scheduled strategy calls to refine programs and narratives, and training as needed.

Develop Community Support:

- Develop strategies to build strong community support for your organization.
- Establish relationships with local nonprofits and explore grants to build a supportive network.

Develop Projects and Programs for Larger Grants:

- Strategic development of projects and programs that are eligible for larger grants, including federal funding.

Federal Grant Readiness:

- Ensure your organization is well-prepared for applying for federal grants, maximizing your chances of securing significant funding.

Capital Campaign Funding Package:

- Comprehensive support for planning and executing capital campaigns to raise funds for major projects.

Consultation and Training:

- **Bi-weekly Consultations:** Scheduled 30-minute calls for strategic planning and guidance.
- **Specialized Training:** Training on capital campaign grant strategies and other funding opportunities.

Funding Plan:

- Develop a strategic funding plan to streamline your grant-seeking efforts, maximize resource allocation, and increase your chances of securing funding for impactful projects.

Enhanced Grant Search and Prioritization:

- Including federal and major grants, with quarterly updates to your Grants Tracker and Grant Prospect Report to keep your funding opportunities up-to-date.

Review of GuideStar Profile:

- Meticulously review and optimize your GuideStar profile to accurately represent your organization's mission, achievements, and financial standing.

Submission of Major/Federal Grant Proposals:

- Consistent grant submission efforts tailored to your funding plan, ensuring your organization is always pursuing relevant funding opportunities.

Value of These Services

For established K-12 schools and nonprofits, sustaining growth and achieving strategic goals is crucial. Our tailored services provide the expertise and support needed to navigate complex grant applications, develop impactful projects, and secure significant funding. With our comprehensive grant management and strategic planning services, your organization will be well-equipped to continue delivering high-quality education and programs, ensuring long-term success and sustainability.
