

Launch Your Vision: Expert Support for Pre-Opening Charter Schools

Opening a new charter school is an ambitious endeavor that requires meticulous planning and expert guidance. Our "Launch Your Vision" service offers comprehensive support to help you navigate the complexities of starting a charter school, from initial application to successful implementation.

Services Included:

- **GrantLaunch Consulting:** Expert advice and guidance tailored to your specific needs.
- **GrantReady: CSP Grants – New:** Workshops, writing assistance, application review, project planning, management preparation, partnership development, and networking opportunities.
- **Post-Award Grant Management:** Ensuring compliance and successful implementation of secured grants.
- **Strategic Planning:** Develop a strategic plan to align your goals with funding opportunities.
- **Readiness Audit:** Assess your readiness to apply for and manage grants.
- **Grant Research:** Identify and prioritize potential grant opportunities.
- **Narrative Templates:** Access standard templates to streamline your application process.
- **Submission of Selected Grants:** Professional submission of chosen grant applications.
- **Partnership & Community Support:** Build and strengthen community and partner relationships.
- **Ongoing Support & Training:** Regularly scheduled monthly 30-minute calls for continuous guidance.
- **Grant Search and Prioritization:** Quarterly updates with a Grants Tracker and Grant Prospect Report.
- **Submission of Small to Medium Grants:** Consistent efforts to secure initial funding.
- **Document Management and Archiving:** Efficiently organize and archive important documents.
- **Grant Calendar Management:** Keep track of important deadlines and submission dates.

Value of These Services

Drawing on my extensive experience in opening five schools across two states, and reviewing numerous state and federal CSP grants, I provide a well-rounded understanding of the standards and rubrics for grants and charter school applications. This experience ensures that you are well-prepared and competitive in the grant-seeking process, ultimately helping you secure the necessary funding to launch your vision successfully.

Call to Action
